

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF UPLAND**

NAME: GARRY D. GARCIA

AGE: 56

OCCUPATION: Sales

Native Californian; U.S. Navy Veteran; B.S. Business Cal Poly San Luis Obispo.

Upland is not just a city, but truly my home. I proudly have devoted ten years to Upland's youth serving in AYSO as a Regional Commissioner, Board Member, Divisional Commissioner and Coach. I continue to serve on Upland's Housing Authority and am a founding board member of the Upland Fire Foundation.

I am encouraged by Upland's move toward better fiscal accountability. This was accomplished by new leadership on the City Council as well as our City Administration. I am committed to improving our fiscal health and to insure that Upland stays a family oriented community.

My commitment to you will be to promote family friendly businesses that strengthen our community and, "yes", I promise to work to bring Upland more "sit down" restaurants.

Because of my involvement in youth sports, I will continue my work to expand facilities, promote safety and provide quality opportunities for your children.

My wife Sharen and I and our three daughters (Cara, Lauren and Andrea) have lived in Upland for 15 years.
